# The Echo — 1970

## Central Junior High School Ames, Iowa

This Echo is dedicated to Mr. Robert DeFore. He was born on May 30, 1914. He attended the Ames Public Schools and graduated from Ames High in 1933. Mr. DeFore received his Bachelors degree in Forestry and Science from Iowa State University, took further work in mathematics at the University of Northern Iowa, received his Masters degree in Guidance and Psychology from Iowa State University, and continued course work in science and mathematics at Drake University and audio visual instruction from Iowa State University. Between degrees he served in the U.S. Air Force during World War II.

During his 25 years of teaching he taught mathematics, science and biology. Mr. DeFore coached in many athletic programs and served as athletic director for six years.

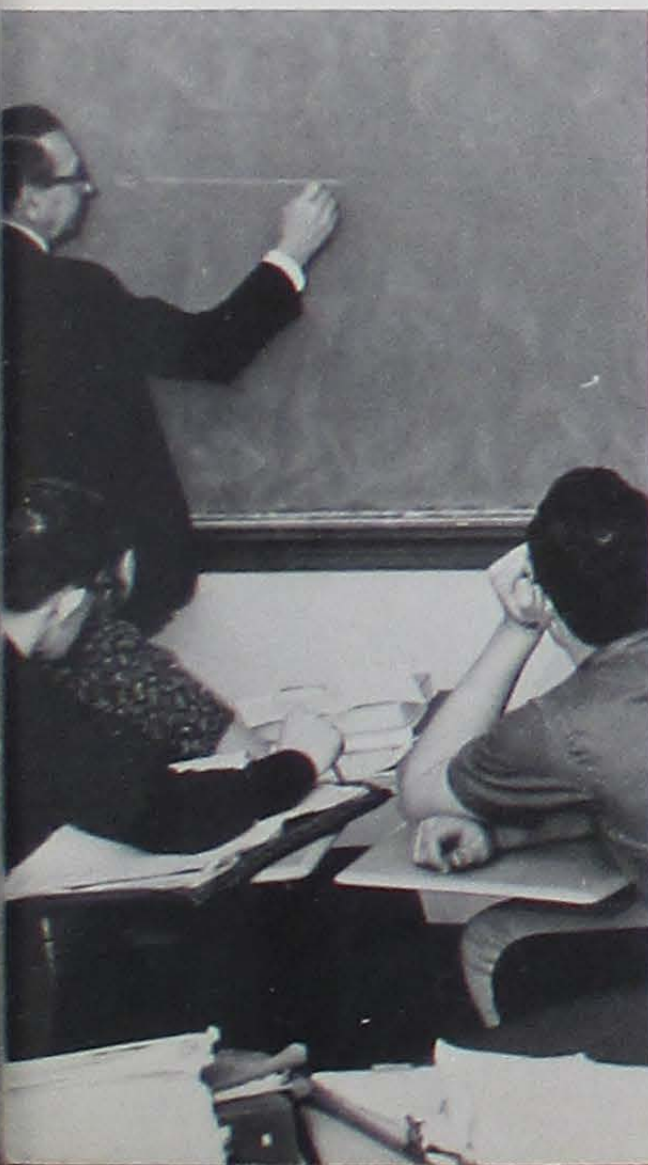

Mr. DeFore could probably be described best by the following statements:

A man of great intellect;

A man who had in his lifetime  
many and varied interests and  
experiences;

A man who had a deep interest and  
understanding in the arts,  
sciences and the humanities;

A man with untiring devotion to  
his students and to his chosen  
profession.

Principal Lloyd Gilts

I, alone, am responsible for my success and failure;  
For I, alone, can determine how much of my ability and talent  
will be given to the task.

Assistant Principal Jack Rockwell

I, alone, understand which desires motivate  
and guide my actions;  
For I, alone, must live with my conscience  
and meditations.

I, alone, cause others to question my  
reputation and personal image;  
For I, alone, have full control of my overt  
performance that others witness and judge.

I, alone, must strive for excellence and  
perfections;  
For I, alone, must be satisfied and  
fulfilled with my labors.

I, alone, appreciate democracy and give  
allegiance to God and country;  
For I, alone, evaluate the benefits of  
freedom of choice and freedom for all.

Miss Helen McCord

Mr. Harry Zwagerman
